

THE PEOPLE'S REPUBLIC OF AMES

By His Most Sublime Duckyness, A Proclamation:

Pornography can have debilitating effects on didacts, bombastic moralizers, priggish fools and pompus asses. During Promotion of Pornography Week, we commit to take steps to confront the dangers of those who malign pornography.

In recent years, The People's Republic of Ames has installed a technology infrastructure that allows for rapid acquisition of on-line, digital pornography, showing our dedication not only to classic forms of pornography but also to the pornography of the future.

In addition, the People's Republic of Ames as always ventured out to find pornography and pornography related items in the surrounding areas. Our Republic has had a long history of visiting historical and important repositories of porn, including Uncle Wiggly's and Pleasure Palace II, and in celebrating our historic Corn Nights.

The People's Republic of Ames also recognizes the valuable service and economic stimulus the Pornography Industry provides not only to our Republic but to nations and states around the world. Where else is Ron Jeremy or Jenna Jameson going to find work?

And finally, we must not forget the important strides and advances in Freedom that have come about from Pornography. Internationally, historic defences of People's innate right to expression have come from Pornography and those involved with it.

NOW, THEREFORE: By the Grace of Goddess, His Most Sublime Duckyness does hereby declare the week of 7 Aftermath through 13 Aftermath, the Year of Our Lady of Discord 3169, the Promotion of Pornography Week, and orders all Citizens and Friends of The People's Republic of Ames to Celebrate and Purchase Pornography.

Hail Eris! All Hail Discordia!

By my seal, this Pungenday, the 11th day of The Aftermath,
in the Year of Our Lady of Discord 3169
At the Mathom House upon the Canw, The People's Republic of Ames
